**“When The Ways of God Don’t Make Sense”**

There will be times in the life of every sincere follower of Christ when the ways, the workings of God simply do not make sense, at least not from a human standpoint. At times we endure trials so difficult we wonder, “will this ever end?” The Word of God offers powerful examples of ordinary people, people like you and me, people who were placed in extremely difficult circumstances and yet they discovered God was at work in the midst of the unexplained.

A great example of the presence of God in the midst of human adversity comes from the life of Joseph. At seventeen years of age Joseph was his fathers favorite son. The hand of God was upon him. We would say from all appearances, Joseph had a bright future before him. But then, in a span of thirteen years between the ages of seventeen and thirty, three devastating events occurred that appear unrelated and yet behind it all was the hand of God at work to accomplish His eternal purposes.

Joseph was first forsaken by his brothers and sold into slavery. Just a few short years later Joseph was wrongly accused by his master’s wife and wound up in prison. While there his friends promised to remember him, they didn’t, and Joseph spent several more years imprisoned, yet a wrongly accused man.

As his story unfolds Joseph was ultimately freed after correctly interpreting a dream of the ruler of Egypt and placed in a position of leadership where he saved his family and an entire nation from starvation. God used those three early devastating events in Joseph’s life to get him to the place where Joseph could later say to his brothers, “You Meant It For Evil, But God Meant It For Good.”

**Now, Here Are Your Take-Away’s:**

1. Your Heavenly Father Is With You
2. Your Heavenly Father Is Working Out His Purposes Through You
3. Your Heavenly Father’s Perspective Is Eternal
4. Your Heavenly Father’s Timing Is Always Perfect, ...Even,... “When His Ways Don’t Make Sense.”
