NETWORK CATALYST UPDATE

As you are aware after 15 years of service to our churches, our Network Catalyst James Roberts, has submitted his resignation to the Administrative Team effective September 15, 2022. Our

Network Nominating Team, along with the Moderator, has compiled a list of prospective persons from among our churches who will be asked to serve on a Network Catalyst Search Team. As soon as a Search Team is put together and elected by the Administrative Team we will notify our Pastors and churches. We ask for your prayers during this time as we begin the process of seeking the next man for the position of North Florida Baptist Network Catalyst.
