NFBN EVANGELISM CATALYST UPDATE

Bill & Elaine Newcomb, NFBN Evangelism Catalyst along with several other volunteers from our area have partnered with Rev. Steve Loy, Associate Director of Missions, East Central Baptist Network (ECBN) and Oklahoma Disaster Relief Team to do clean-up and recovery in the churches and homes that have been damaged by Hurricane Ian in Volusia, Seminole and surrounding counties. A need for diapers, highchairs, swing and other items for children was met by donations from the community. Evergreen Baptist Church donated cases of bleach and disinfecting wipes and Providence Village Baptist Church sent items to be distributed to those in need also. The American Red Cross received a few of the supplies. Spruce Creek Baptist Church has a 2 bedroom apartment that the volunteers have been staying in, and funds donated from NFBN have helped feed the volunteers. One need the Newcomb's have a request for is, more volunteers. There is still a big need to help with the damaged homes and churches that were affected. If you would like to volunteer, please contact Bill Newcomb @ 386-623-1142. Bill and Elaine want to say THANK YOU to everyone that has contributed to this mission.
